Hi All,

Just wanted to give you a heads-up that the Yankton Sioux Tribe emailed the Tribe's Protocols for Consultation in response to receiving the our latest invitation for consultation letter. Not sure what the next steps would be in this case. I have contract support for following up with phone calls to each tribe, so I will be in touch as that time approaches to get input on talking points for that call and what next steps would be with the Yankton Sioux Tribe.

Thanks!

Valois
